

**Annual Vendor Show and Membership Meeting
September 21-22, 2023
Society Hall, Charleston, SC**

Please join us for the 2023 South Carolina Recyclers Association Annual Vendor Show and Membership Meeting this September 21st and 22nd in Charleston! We're excited to host this year's meeting in the low-country, and we hope that you and your team can be a part of it!

Member registration is \$200 for the first person and \$150 for each additional attendee. Non-Members may register for \$400 per person. Non-members, if you become a new member in 2024 your registration fee will be deducted from the cost of 2024 dues. **Suppliers must sponsor in order to attend the Vendor Show on September 21.**

The cost of registration is up this year, partly due to increased seasonal rates in Charleston, but also to increase our investment into the Association. There are several issues on the horizon that could affect our industry, including electric vehicles as well as environmental concerns that are impacting other manufacturing industries. As the board and leadership team, we want to be sure that our Association is ready for any issue we may face. We appreciate your continued support of the SCRA and we ask for your feedback on ways we can deliver value to you and your organization.
