

WE PROVIDE SPECIALIZED RECYCLING EQUIPMENT SOLUTIONS

We carry the full line of Fuchs, LaBounty, Kobelco, and JCB Equipment, plumbed and ready for scrap processing and recycling applications. Our top brands are backed by our manufacturer certified Service Technicians and full service parts department. Our manufacturing and customization division, CW Machine Worx, specializes in hybrid recycling machines that save you money and increase efficiency.

LABOUNTY.

We've remained the #1 LaBounty dealer in the world for 16 years in a row and the #1 Fuchs Global Dealer for 14 years straight because of our commitment to providing our customers the top level customer service.
